Hopemark Health

Flyer Design Instructions

Please design a two-sided flyer for Hopemark Health using the supplied content brief and the following requirements.

Required Colors

Use lavender, white, and black only. Prepare photographs and product images in monochrome where needed to maintain this palette.

Front of the Flyer

Include the comprehensive psychiatric care introduction, services, conditions treated, clinical team, clinic addresses, and referral information from the content brief.

Add this exact wording near the general psychiatric services information:

In-person or telehealth visits available.

Website and QR Code

- Display HopeMark.com as the website throughout the flyer.
- Create a QR code linking to https://hopemark.com/.
- Place HopeMark.com beneath the QR code.
- Test the QR code and destination link before delivering the final files.

Clinic Addresses

Include all six addresses on the front only:

Clinic	Address
Chicago - Millennium Park	8 S. Michigan Avenue, Suite 1505 Chicago, IL 60603
Chicago - West Loop	566 W. Lake Street, Suite 200 Chicago, IL 60661
Hoffman Estates	1721 Moon Lake Boulevard, Suite 201 Hoffman Estates, IL 60169
Naperville	1284 Rickert Drive, Suite 200 Naperville, IL 60540
Oak Brook	1200 Harger Road, Suite 200 Oak Brook, IL 60523
Orland Park	14489 John Humphrey Drive, Suite 202 Orland Park, IL 60462

Address reference: Hopemark Health official clinic directory.

Back Content and Image Requirements

Back of the Flyer

Use the supplied content explaining:

- What treatment-resistant depression is and how common it is.
- How Hopemark Health can help.
- What Deep TMS, Spravato®, and IV ketamine are, how they work, and their potential benefits.

Retain the prevalence source footnote from the content brief.

Required Treatment Images

Spravato®

Use the official Spravato logo and nasal spray applicator image from the Johnson & Johnson SPRAVATO website. Place these with the Spravato description.

Official source: SPRAVATO website - www.spravato.com.

Deep TMS

Use an image of the BrainsWay Deep TMS machine, including its helmet apparatus, from the BrainsWay website.

Official source: BrainsWay Deep TMS technology page.

The treatment heading should remain Deep TMS (Deep Transcranial Magnetic Stimulation).

Include the supplied before-and-after brain-activity visualization with the caption:

Educational visualization. Results vary.

IV Ketamine

Use an image of a woman resting comfortably in a chair with an eye mask. Do not show an IV drip, bag, pole, tubing, or needle.

Contact Information

Include on both sides:

Phone: 630-656-9393
Fax: 630-385-0290
Website: HopeMark.com

Use this phone number throughout, replacing any earlier phone number in the supplied content brief or reference artwork.

Deliverables

Provide a print-ready, two-sided PDF and the editable original design files.
